INFORMED CONSENT FOR HEMORRHOIDECTOMY

It is very important to us that you understand and consent to the treatment your doctor is providing and any procedure your doctor may perform. You should be involved in any and all decisions concerning surgical procedures your doctor has recommended.

Sign this form only after you understand the procedure, the anticipated benefits, the risks, the alternatives, the risks associated with the alternatives and all of your questions have been answered. Please initial and date directly below this paragraph indicating your understanding of this paragraph.

_____ _____

Patient's Initials or Authorized Representative Date

I, _____, hereby authorize Dr. _____and any associates or assistants the doctor deems appropriate, to perform a hemorrhoidectomy.

The doctor has explained to me the potential benefits of the procedure. However, I understand there is no certainty that I will achieve these benefits and no guarantee has been made to me regarding the outcome of the procedure. I also authorize the administration of sedation and/or anesthesia as may be deemed advisable or necessary for my comfort, well-being, and safety.

The doctor has explained to me that there are risks and possible undesirable consequences associated with any procedure including, but not limited to, anal stricture, anal incontinence, recurrence, pain, blood loss, transfusion reactions, infection, heart complications, blood clots, loss of or loss of use of body part, other neurological injury, pneumonia, heart attack, stroke and/or death. I understand that if I need blood or blood products these carry a risk of contracting HIV/AIDS, hepatitis, or other diseases. Further, any of these risks or complications may require further surgical intervention during or after the procedure, which I expressly authorize._____

initial

In permitting my doctor to perform the procedure, I understand that unforeseen conditions may be revealed that may necessitate change or extension of the original procedure or a different procedure(s) than those already explained to me. I therefore authorize and request that the above-named physician, his/her assistants, or his/her designees perform such procedure(s) as necessary and desirable in the exercise of his/her professional judgment.

In the unlikely event that one or more of the above inherent complications may occur, my physician or covering physician will take appropriate and reasonable steps to help manage the clinical situation and be available to me and my family to address our concerns and questions.

The reasonable alternatives to the procedure have been explained to me. These alternatives include but are not limited to, medical therapy or no treatment

I hereby authorize the doctor and/or hospital or surgical center to utilize or dispose of removed tissues, parts or organs resulting from the procedure authorized above.

I consent to any photographing or videotaping of the procedure that may be performed, provided my identity is not revealed by the pictures or by descriptive texts accompanying them.

I consent to the admittance of students or authorized equipment representatives to the procedure room for purposes of advancing medical education or obtaining important product information.

By signing below, I certify that I have had an opportunity to ask the doctor all my questions concerning anticipated benefits, material risks, alternative therapies, and risks of those alternatives, and all of my questions have been answered to my satisfaction.
